

THE LANCIA THEMA RANGE FROM £12,495 TO £37,500.

THE CAR IS PURE LANCIA.  
THE ENGINE IS SOMETHING ELSE.

The car is a Lancia Thema. ¶ The engine, a 32 valve, 8 cylinder, V8 by Ferrari. ¶ Together they make the Thema 8.32. One of the most powerful cars in the world. ¶ A fitting flagship for today's most exciting range of high performance executive cars. ¶ The Thema's road holding, cornering, lightning reactions and class beating performance figures are classic Lancia and could only have been bred by the manufacturer that has dominated world rallying. ¶ All from a car that accommodates five adults in

generously upholstered comfort. Plus a range of luxury standard equipment that one leading car magazine called the best value in today's executive car market. ¶ The Thema range starts at an astonishing £12,495 for the 2000 ie and accelerates to under £17,500 with the 135 mph Turbo LX model. ¶ Even more astonishing considering this buys you the technology and design that created the outstanding performance and driving characteristics of Thema's big brother at £37,500. Pure Lancia.
